

# Rhythm

*Note Values*

semibreve =                      minim =

*Rest Values*

crotchet =                      quaver =                      semiquaver =

demi semiquaver =

Add one note where you see the star (\*) to make each bar add up to 4 beats.  
Remember that you should group notes into beats.

How many crotchet beats are there in each of the bars below?

3                      4                      2                      4                      3                      4
